me: hey, what time did you want to do?
me: I'm at a meeting but can get home at 3:30 or any time after
Tim: Just sending you an email. 3:30 is fine. Gimme an address. Isn't your pad over by Cole Park?
me: yeah, it's by breadwinners and the new Gloria's, off Lemmon.
me: you're coming from downtown, right?
me: if so, take Lemon exit
me: go left
me: you're going to take another left on Hall/Caryle, which is right where West Village ends
me: and then I'm a block and half down, at the shitty complex past the nicer one with Gloria's restaurant
me: gate code is *4444
me: I'mm #249 but just call when you're about there and I'll come out to get you
Tim: What's the street address on Hall?
me: not sure
me: but the address is for the office
me: and thus not helpful, as it's two complexes across the street from one another
me: corner of N. Hall and Caryle
me: also I don't know my address
Tim: I'll figure it out. See you at 3:30. Sorry, I couldn't find any weed. Take some Jack Black face cream instead? That's what's sitting on my desk right now.
me: I've got weed
me: thanks though
me: yes, face cream
